Possum Symbol used by Sawyers Valley Primary School

Adriaan spoke to Florence Charpentier and her daughter, Kareen. Florence created the logo at home for the primary school to use as a logo. A photo of Florence at a school stall in 1984 with wine bottles showing the possum logo was taken by Adriaan. The graphic on the Sawyers Valley number plate is thought to be a copy of the primary school logo. Adriaan will contact the Dept of Transport to confirm the source of the graphic. Once the authorship of the logo has been confirmed, Adriaan will contact Owen Briffa of Lost Mundaring & Surroundings Local History Museum, and the Sawyers Valley Primary School.

Parkerville Development on Kilburn Road

An article from the Echo, December 2021, was tabled at the meeting. It outlined details of the Kilburn Road development, which has been opposed by the Save Perth Hills group, the Stoneville and Parkerville Progress Assoc, the Mundaring Shire and more than 100 local residents. It will comprise 56 houses, be adjacent to the North Stoneville development and be located in a high fire risk area.

On 7th December, 2021, it was considered by the State Statutory Planning Committee. The committee did not reject it, nor defer it, as was requested, pending the completion of reviews, which include the Woorooloo Bushfire Inquiry, WA Bushfire Planning Policy and urban zoned land in the Perth Hills. It is feared this demonstrates the committee's intention to approve the development, despite local opposition.
